

WRAPPED WOODEN PROFILES

ABOUT US

Modema A.Ş. has successfully grown from its family business in 1999 to where it is today a leading mass producer of wrapped wooden skirting and underlay, with a production turnover of more than 30 million linear meter per annum.

Modema supplies laminate flooring producers, large international wholesalers and distributors, mass market retail (DIY), and major construction projects over five continents, offering competitive prices to help strengthen and sustain customer's competitive edge.

Why Modema? ISO 9001 and ISO 14001 Certified. Ultra fast production capabilities assuring efficiency, flexibility and short delivery times. Comprehensive range, innovative design knowledge, high level precision tooling, PUR adhesive (for high heat resistance, exceptional surface quality and high peel strength), systematic colour-matching (to attain consistency of product) and efficient customer response.

Modema branded products: skirting and architrave - MDF covered in Finish Foil with MDF transitions to match in CPFF (continuous Pressed finish foil), CPL or PVC foil. Raw, primed, paintable, veneered MDF skirtings. Door frames, stairparts, wall panels, ceiling, corner and window ledges. Bespoke MDF skirting profiles/ baseboards and transitions for specialist projects Modema Underlay, packing material – produced In-house.

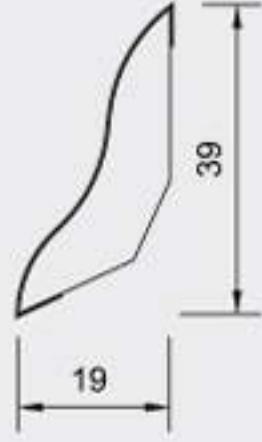

Modema - providing wood wrapped products to enhance every room (solid, engineered, laminate flooring, LVT, stone, tile or carpet). The perfect solution!

Modema environmental impact and social responsibility - Wood sourced from FSC forests, base materials from chosen suppliers in Europe (sharing the same core values) minimizing environmental damage by lowering environmental pollution.

Ethos - to provide the same respect and individual attention (whether corporate or private) that has been the hallmark of Turkish custom for decades.
